

# **PRISM ELECTRONICS**

## **Flexible Operator (Surface Mount and Conventional)**

Exciting opportunity for a Flexible Operator (Surface Mount and Conventional) with a leading Cambridgeshire based Contract Electronics Manufacturer (CEM) with established customer partnerships in a range of industry sectors.

Prism Electronics aims to provide an excellent, flexible and responsive service to our customers focussed on flexible manufacturing of modest volumes of complex problems.

We are proud to be Investors in People, ISO9001 and ISO140001 accredited.

We offer competitive salaries and a quarterly profit related bonus scheme (upon completion of probationary period).

Reporting to the Production Manager, you will be responsible for the population of printed circuit board assemblies to meet production plan both in the Surface Mount team and the Conventional team.

You will have current and proven experience working within the electronics industry within Surface Mount and Conventional teams.

For further details or to apply for the position of Flexible Operator (Surface Mount and Conventional), contact Claire George on 01480 309058 or [claire.george@prism-electronics.com](mailto:claire.george@prism-electronics.com)
